### **SOUTHWESTERN YACHTS ADDS LAGOON CATAMARANS TO SAN DIEGO LINEUP.**

San Diego, CALIF – Southwestern Yacht Sales was recently awarded a new dealership offering the Lagoon Catamaran line at their San Diego, California location. “Lagoon is a wonderful addition to our lineup and fills a void we’ve had in the catamaran category. Lagoon is a very luxurious boat with European flair at a value price. It is a great benefit to our customers that Lagoon is a Groupe Beneteau owned company. We have the manufacturer/dealer relationship already well established to serve our customers beyond their expectations. San Diego is also a great place to start cruising on a big, stable catamaran,” said Barrett Canfield, VP of sales for Southwestern Yachts.

Lagoon America director, Nick Harvey is delighted to announce the addition of Southwestern Yachts to the North American dealership network for Lagoon catamarans. Based in San Diego, Southwestern Yachts covers the whole of Southern California. This renowned dealership and its VP of sales, Barrett Canfield, are looking forward to promoting Lagoon catamarans. With 16 years of experience in the new boat sales market, and a catamaran market in the middle of an exponential growth, it is only a natural choice for Southwestern to take on the distribution of today's leading catamaran manufacturer. In 2005 Lagoon built more cruising catamarans than any other catamaran builder in the world.
